

IPSF is responding to the budget challenges facing all 27,000 students by launching a 5-Week Campaign to raise funds for Classroom Support.

Dollars raised will impact every school in the district.

IPSF is underwriting the cost of this fundraising effort, so that **100 percent** of the funds collected through March 1st will be used to lessen the impacts of class-size increases. Specifically, these dollars will go straight to the schools, which will be empowered to provide direct support in the form of classroom aides and additional teaching hours.

Unfortunately, there isn't much time to act. Because IUSD and the Board of Education are facing critical budgetary deadlines, 100 percent of the funding must be in place by March 2.

Remember that the Irvine Public Schools Foundation is the only organization with the resources to impact every school in our district.

We encourage you to get involved today!
